COMMITMENT

WEEKLY TRAINING

Competitive dancers train once a week (1–4 hours, depending on company).

You are required to attend both:

- Weekly technique class
- Weekly company rehearsal

Dancers will only need to commit to one day per week, with technique classes, crew rehearsals, and production practices scheduled back-to-back for maximum efficiency.

- Solo, duo, trio and small group choreography takes place during June–August 2025.
- These routines will then rehearse weekly or bi-weekly from September - June.

COMPETITIONS AND PERFORMANCES

We will attend:

- Two local (Halifax) competitions
- One New Brunswick competition
- A third local competition will be optional
- A Canadian travel opportunity will be available for interested dancers

All dancers must also attend:

- **Pre-Season Showcase** – February/March 2026 (Date & Location TBA)
- **Year-End Recital & Banquet** – June 2026 (Date & Location TBA)

CANCELLATIONS

Onset Hip Hop has built five potential class cancellations into each season to account for weather, instructor illness, building maintenance, or other unforeseen circumstances. All cancellations will be communicated via email and our social media channels. If more than five classes are missed, a make-up class will be scheduled at the end of the season

WHAT YOU'LL NEED

FOR REHEARSALS

.....

We encourage all dancers to bring a water bottle and some light snacks to class.

Each rehearsal will include a short break (around 5–10 minutes), so having something on hand is helpful.

Hip Hop dancers must wear indoor sneakers to class—please make sure these are not worn outdoors.

Dancers should wear comfortable clothing they can move in. Style, color, and fit are completely up to you—we love seeing everyone's individual style!

FOR COMPETITION

.....

All dancers will need a pair of white sneakers for competitions. The style or brand doesn't matter, as long as they are clean and in good condition.

Dancers are also required to wear stage makeup for performances. This includes:

- Deep lipstick
- Blush
- Bronzer
- Mascara
- Eyeliner

This helps ensure that facial expressions and features can be seen clearly under stage lighting—it's an important part of performance!

Costumes will be handed out before our first competition. After that, it's the dancer's responsibility to keep their costumes organized and ready for each event.

- Lost items will not be replaced.
- Dancers who are missing costume pieces will not be able to compete.
