### MONCTON & TORONTO HIGHLIGHTS

We have had such a busy (and exciting!) couple of weeks! This was our first time attending Electric Beat and Adrenaline, and we truly had the best time. Dancers and parents, we would love to hear your feedback - your input really helps us when choosing competitions for next season, and every opinion matters!

Electric Beat in Moncton was an amazing way to kick off Season 12. Pass the Mic received a Lightning Strike (similar to a golden buzzer), and was also one of only four routines invited to perform in the Adrenaline Best of Showcase in Toronto, so exciting!

We also had four dancers take home scholarships this weekend - huge congratulations to Alessia, Elsa, Bianca, and Abril!

Our Travel Team dancers had an incredible weekend of both training and competing. They had the opportunity to learn from some amazing instructors, including Meghan Sanett, Ida Saki, Jeromy Arnold, Luz Remigo-Frias, Chris Jacobsen, Koko Iwaski, Gina Pero, MJ, and Lindsay Morgan. Such an inspiring experience for everyone involved!

### COMING UP: CANDANCE

Just a quick reminder that this is a draft schedule, so it is not final and may be subject to change. While the competition does its best to avoid any major adjustments, performance times can shift slightly. We'll be sure to keep you updated with any changes as they come!
